

SPIDER MOUNT™

PATENT PENDING POP-UP DISPLAY MONITOR MOUNT

Want to add high definition video and computer presentations to a Webloc GT™ pop-up display? DSA's patent pending Spider Mount™ technology makes it easy! Spider Mount™ is an innovative connection system that safely secures a 22" LCD HDTV to any pop-up display. Spider Mount™ Technology can take pop-up exhibiting to a new level!

- Adds LCD technology to existing Webloc GT™ pop-ups
- Fits ALL Webloc GT™ table tops and floor models
- Hang up to four 22" LCDs on one Webloc GT™
- Assembles in seconds with one tool (provided)
- Holds screen flush with panels for a smooth, finished look
- Spider Mount™ weighs only 1.4 KG
- Packs in the Webloc GT™ case-no extra cases
- Designed for the popular LCD HDTV
- Optional Spider Mount™ keyboard shelf available
- Patent Pending Technology
